Subject: Notice of File Closure and Release of Reclamation Surety, BEG Resources, LLC,
Travertine #1 Mine, M/023/042, Juab County, Utah

Dear Mr. Burningham:

The permit for the Travertine #1 mine, M/023/0042, located in Juab County, Utah, will be closed and the files retired.

On July 14, 2009, the Division conducted an inspection and determined that the site had been reclaimed to the standards needed for full bond release. On September 8, 2009, the Division received concurrence from the BLM that they agree with the file closure and release of the surety.

Enclosed please find a check for \$15,100.00 plus interest, (\$19,781.31) which represents your original type of surety.

We are returning your original reclamation contract to you for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in the area, you will need to submit a new notice to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.
